Thanks for playing at Zip City. Good luck and have a great indoor season!

We prefer league fees be paid by your 1st game. Any balance must be paid before the start of the 2nd game. If league fees are not paid in full, by the start of your 1st game a $25 late fee will be charged to your team. Online waiver must be completed before your 1st game. Home team is the first team listed. Home team must supply game ball and change shirts if teams have alike colors. Admission charges do apply for all persons 6 and older (including players). We charge players at the door rather than making them to buy a player pass.

Additional Zip City facility and soccer rules may apply

Zip City reserves the right to alter any league schedule to best accommodate all. Our staff can deny entry or have you leave the premisses at any time (without refund).
