Thanks for playing at Zip City Indy! Good luck and have a great indoor season.

We prefer league fees be paid by your 1st game. Any balance must be paid before the start of each game. If league fees are not paid in full, by the start of your 1st game a \$25 late fee will be charged to your team. All waivers must be done online. Rosters are due at your 1st game. They are sealed at the start of your 3rd game.

Home team is the first team listed. Home team must supply game ball and change shirts if teams have alike colors. Admission charges do apply for all persons 6 and older (including players). We charge players at the door rather than forcing them to buy a player pass. Additional facility and soccer rules are available at the front counter. Managers and players are responsible for knowing all rules.

FIGHTING: If you throw a punch you are ejected for the remainder of the session. Zip City Indy reserves the right to alter any league schedule to best accommodate all. Zip City staff may deny entry or have you leave the premisses at any time (without refund).
